

4Life Tri Club

Triathlon in South Nottinghamshire

Clifton Junior Triathlon 12th September 2009

The first race after a long summer break saw a record number of 4life juniors competing. Race conditions couldn't have been better – the sun shone and there was hardly a cloud in the sky. With 7 races completed and 3 still to go 4Life were determined to remain top of the Children's Club Championship.

All competitors rose to the challenge and performed admirably well. Nicole and Victoria Webster, Ellie May Light, Caroline Plimmer, Ben Botting and Joss Moffat were all competing in their first competition. There were some great races, with Caroline having the third fastest run time in her age group (9-10) and had there been a prize for smiling Victoria would have won it!

Charlie and Nick won their age groups. Ellen, Ellie and Peta came second and Rosanna and Sophie surprised themselves by coming third.

There were 33 4life athletes racing today – too many to mention everyone individually. A big well done to everyone – from podium finishers to those who just did it to enjoy themselves!
